

<i>Clostridium difficile</i> toxins				
Product Code	Name	Ribotype	Amount in µg	Price in Euro
TGC-T001-1	TcdA-10463	087	2	100.00
TGC-T001-2	TcdA-10463	087	10	250.00
TGC-T101-1	TcdB-10463	087	2	380.00
TGC-T101-2	TcdB-10463	087	10	1800.00
TGC-T102-1	TcdB-1470	017	2	900.00
TGC-T102-2	TcdB-1470	017	10	4000.00
TGC-T103-1	TcdB-8864	036	2	700.00
TGC-T103-2	TcdB-8864	036	10	3000.00
TGC-T002-1	TcdA-027	027	2	900.00
TGC-T002-2	TcdA-027	027	10	3800.00
TGC-T104-1	TcdB-027	027	2	900.00
TGC-T104-2	TcdB-027	027	10	3800.00
TGC-T003-1	TcdA-078	078	2	900.00
TGC-T003-2	TcdA-078	078	10	3800.00
TGC-T105-1	TcdB-078	078	2	900.00
TGC-T105-2	TcdB-078	078	10	3800.00
TGC-T004-1	TcdA-001	001	2	900.00
TGC-T106-1	TcdB-001	001	2	900.00
TGC-T005-1	TcdA-002	002	2	900.00
TGC-T107-1	TcdB-002	002	2	900.00
TGC-T006-1	TcdA-014	014	2	900.00
TGC-T108-1	TcdB-014	014	2	900.00
TGC-T007-1	TcdA-106	106	2	900.00
TGC-T109-1	TcdB-106	106	2	900.00
TGC-T099-X	TcdA-X	Customized purification		On request
TGC-T199-X	TcdB-X	Customized purification		On request

Antibodies directed against <i>Clostridium difficile</i>						
Product Code	Name	Antigen/Species	Produced in Species	Application	Amount in µg	Price in Euro
TGC-A001-1	TGC-2	Directed against Toxin A (TcdA)	monoclonal, mouse	Western Blot, ELISA	100 µg	230.00
TGC-A003-1	TGC-54	Directed against Toxin A (TcdA)	monoclonal, mouse	Western Blot, ELISA	100 µg	230.00
TGC-A004-1	TGC-101	Directed against Toxin A (TcdA)	monoclonal, mouse	Western Blot, ELISA	100 µg	230.00
TGC-A101-1	TGC-1	Directed against Toxin B (TcdB)	monoclonal, mouse	Western Blot, ELISA	100 µg	230.00
TGC-A103-1	TGC-58	Directed against Toxin B (TcdB)	monoclonal, mouse	Western Blot, ELISA	100 µg	230.00
TGC-A104-1	TGC-69	Directed against Toxin B (TcdB)	monoclonal, mouse	Western Blot, ELISA	100 µg	230.00
TGC-A106-1	Anti-TcdB	Directed against Toxin B (TcdB)	polyclonal, rabbit	Western Blot, ELISA	100 µg	280.00
Antibodies directed against <i>Salmonella</i> spp.						
TGC-A201-1	TGC-3	Directed against SipC (aa 252-410)	monoclonal, mouse	Western Blot, ELISA	10 µg	230.00
TGC-A202-1	TGC-4	Directed against SipC (aa 1-198)	monoclonal, mouse	Western Blot, ELISA	10 µg	230.00
TGC-A203-1	Anti-SipC	Directed against SipC	polyclonal, rabbit	Western Blot, ELISA	10 µg	280.00
Antibodies directed against EHEC/EPEC bacteria						
TGC-A301-1	B289	Directed against EspB	monoclonal, mouse	Western Blot, ELISA	10 µg	230.00
TGC-A302-1	B292	Directed against EspA	monoclonal, mouse	Western Blot, ELISA	10 µg	230.00
TGC-A303-1	A22D	Directed against EspD	monoclonal, mouse	Western Blot, ELISA	10 µg	230.00
TGC-A304-1	B51	Directed against EspE	monoclonal, mouse	Western Blot, ELISA	10 µg	230.00
TGC-A305-1	Anti-EspB	Directed against EspB	polyclonal, rabbit	Western Blot, ELISA	10 µg	280.00

Proteins					
Product Code	Name	Description	Application	Amount in µg	Price in Euro
TGC-P001-1	SipC rec.	Purified recombinant SipC of <i>Salmonella typhimurium</i> produced in <i>E. coli</i> .	Western Blot, ELISA	200 µg	120.00
TGC-P101-1	EspA rec.	Purified recombinant EspA of EHEC/EPEC produced in <i>E. coli</i> .	Western Blot, ELISA	200 µg	120.00
TGC-P102-1	EspB, rec	Purified recombinant EspB of EHEC/EPEC produced in <i>E. coli</i> .	Western Blot, ELISA	200 µg	120.00
TGC-P201-1	YopD, rec	Purified recombinant YopD of <i>Yersinia enterocolitica</i> produced in <i>E. coli</i> .	Western Blot, ELISA	200 µg	120.00
TGC-P202-1	YopE, rec.	Purified recombinant YopE of <i>Yersinia enterocolitica</i> produced in <i>E. coli</i> .	Western Blot, ELISA	200 µg	120.00
TGC-P203-1	YopH, rec.	Purified recombinant YopH of <i>Yersinia enterocolitica</i> produced in <i>E. coli</i> .	Western Blot, ELISA	200 µg	120.00
TGC-P204-1	YopM, rec.	Purified recombinant YopM of <i>Yersinia enterocolitica</i> produced in <i>E. coli</i> .	Western Blot, ELISA	200 µg	120.00
TGC-P205-1	YopN, rec.	Purified recombinant YopN of <i>Yersinia enterocolitica</i> produced in <i>E. coli</i> .	Western Blot, ELISA	200 µg	120.00
TGC-P301-1	IpaC, rec.	Purified recombinant IpaC of <i>Shigella flexneri</i> produced in <i>E. coli</i> .	Western Blot, ELISA	200 µg	120.00
TGC-P401-1	LLO, rec.	Purified recombinant Listeriolysin O produced in <i>Listeria innocua</i>	Western Blot, ELISA	200 µg	150.00
TGC-P501-1	Filamentous Hemagglutinin	Purified native protein of <i>Bordetella pertussis</i>	Western Blot, ELISA	1 mg	1,500.00
TGC-P502-1	Pertactin	Purified native protein of <i>Bordetella pertussis</i>	Western Blot, ELISA	1 mg	2,000.00

ELISA kits				
Product Code	Name and description	Manual	Format and Size	Price in Euro
TGC-E001-1	Simultaneous detection of <i>C. difficile</i> toxins A and B	pdf-download	96well plate	380.00
TGC-E002-1	Separate detection of <i>C. difficile</i> toxins A and B	pdf-download	96well plate	380.00
TGC-E301-1	Detection of <i>C. difficile</i> glutamate dehydrogenase (GDH)	pdf-download	96well plate	250.00
TGC-E099-1	Customized assembled <i>C. difficile</i> toxin A/B detection kit		96well plate	On request
TGC-E101-1	Separate detection of IgG and IgA antibodies directed against toxin A (TcdA) of <i>C. difficile</i>	pdf-download	96well plate	400.00
TGC-E102-1	Separate detection of IgG and IgA antibodies directed against toxin B (TcdB) of <i>C. difficile</i>	pdf-download	96well plate	400.00
TGC-E199-1	Customized assembled anti <i>C. difficile</i> toxin A/B antibody detection kit		96well plate	On request

Terms and Conditions:

Order Possibilities

When ordering products directly from tgcBIOMICS you have the following order options:

- mail
- telephone
- 24 hour fax
- online (via tgcBIOMICS website)

Mail Order

Please send your mail order including all above stated information (see „Order Completion“) to:

tgcBIOMICS GmbH
Franz-Kirsten-Strasse 1
D-55411 Bingen

Telephone Order

tgcBIOMICS is available to take your telephone orders **Monday through Friday** from **8:00 am to 4:00 pm (CET)**. Our telephone number is: **++49-6721-98419-0 or -15**.

24 Hour Fax Order

Please fax your order to tgcBIOMICS by using this fax number: **++49-6721-98419-18**.

Online Order

Please send us an e-mail with your order to: info@tgcbiomics.de and please include all order completion information (see „Order Completion Specifics“ below).

Order Completion Specifics

To complete your order, please provide tgcBIOMICS with the following:

- your full first and last (surname) name
- complete name of your company
- complete billing address
- complete shipping address (should this address vary from the billing address)
- P.O. box number (if applicable)

- specific catalogue number(s) of tgcBIOMICS product(s)
- quantity of products being ordered
- full name of a contact person and his/her contact details should any questions about the order arise

Important Order Information

Mistakenly ordered products from tgcBIOMICS cannot be returned to tgcBIOMICS. Products which are returned to tgcBIOMICS will be charged in full to the customer's account.

Shipping

For each order received, the customer will receive an order confirmation that includes invoice and consignment note numbers. To ensure stability of our products, we reserve the right to ship on blue or dry ice. Products which must be sent on dry ice are shipped by Logistic Partners. Domestic shipments (i.e. those within Germany) are sent via General Overnight Express service. Should you wish to have your specific order shipped by a different carrier, please contact us with your complete order specifics.

All orders are shipped Ex Works (Incoterms 2010).

Charges and Fees

All prices in our tgcBIOMICS product catalogue and those shown on our website do not include freight charges, duty fees, customs fees or taxes. All freight charges must be prepaid and will be added to the invoice. Should you require information about your specific order freight charges, please do not hesitate to contact us. tgcBIOMICS is not responsible for the payment of any duties, taxes or customs fees. tgcBIOMICS' products and prices are subject to change without notice. All prices will be confirmed upon the receipt of your order. No minimum order quantity is required.

Payment Methods

The invoice for your order will be sent to your billing address after your product(s) has/have been shipped or included with your shipment. In the event of partial deliveries, a separate invoice will be issued after each shipment has been mailed. All tgcBIOMICS bank and account information is included on each invoice for your convenience. Payment should be addressed to:

tgcBIOMICS GmbH
Franz-Kirsten-Strasse 1
D-55411 Bingen
Ust-IdNr. DE 199 954 198
Amtgericht Bad Kreuznach
HRB 3890

tgcBIOMICS accepts two types of payment methods; by either cheque or money transfer. Here are the specific payment methods details:

Cheque payment

Please send your payment including the tgcBIOMICS invoice number and customer number to the address indicated above.

Money transfer

Please submit your payment to the following bank account:

Mainzer Volksbank eG
Bank Code No. (BLZ): 551 900 00
A/C No. (Kto.-Nr.): 393 18 013
IBAN No.: DE105519 00000 393118039
SWIFT MVB MDE 55

Patent Disclaimer

Unless otherwise specifically stated, no license or immunity under any patent is either granted or implied by the sale of any of the tgcBIOMICS products. tgcBIOMICS does not warrant that the resale or use of its delivered products will not infringe the claims of any patent, trademark or copyright covering the use of the product itself or its use in the operation of any process. In addition, the purchaser assumes all risks of patent, trademark or copyright infringement associated with any such use, combination or operation.
