

Monoclonal Antibodies:									
Product Code	Name	Specificity mAb	Anti-Species	Produced in Species	Application	Conjugation	Purification	Amount	Price in €
01-A1-10-1	TGC-3	SipC (aa 252-410)	Salmonella ssp.	Mouse	Western Blot, ELISA	unconjugated	Protein G	On request	On request
01-A1-10-2	TGC-4	SipC (aa 1-198)	Salmonella ssp.	Mouse	Western Blot, ELISA	unconjugated	Protein G	On request	On request
01-A1-10-3	B289	EspB	EHEC/EPEC	Mouse	Western Blot, ELISA	unconjugated	Protein G	On request	On request
01-A1-10-4	B168	EspB	EHEC/EPEC	Mouse	Western Blot, ELISA	unconjugated	Protein G	On request	On request
01-A1-10-5	B292	EspA	EHEC/EPEC	Mouse	Western Blot, ELISA	unconjugated	Protein G	On request	On request
01-A1-10-6	A22D	EspD	EHEC/EPEC	Mouse	Western Blot, ELISA	unconjugated	Protein G	On request	On request
01-A1-10-7	B51	EspE	EHEC/EPEC	Mouse	Western Blot, ELISA	unconjugated	Protein G	On request	On request
Polyclonal Antibodies:									
Product Code	Name	Specificity pAb	Anti-Species	Produced in Species	Application	Conjugation	Purification grade	Amount	Price in €
01-B1-10-1	Anti-SipC	SipC	Salmonella ssp.	Rabbit	Western Blot, ELISA	unconjugated	Protein G	On request	On request
01-B1-10-2	Anti-EspB	EspB	EHEC/EPEC	Rabbit	Western Blot, ELISA	unconjugated	Protein G	On request	On request
01-B1-10-3	Anti-EspB	EspB	EHEC/EPEC	Rabbit	Western Blot, ELISA	unconjugated	affinity	On request	On request
Toxins <i>Bordetella pertussis</i>:									
Product Code	Name	Specificity Name	Description		Application	Amount	Price in €		
01-C1-10-1	PT	Pertussis Toxin	Native purified proteins, member of the AB ₅ Toxin catalyze ADP ribosylation of G-protein		Western Blot, ELISA	1 mg	1.500,00		
01-C1-10-2	FHA	Filamentous Hemagglutinin	Native purified proteins, major surface adhesion protein		Western Blot, ELISA	1 mg	1.500,00		
01-C1-10-3	PRN (p69)	Pertactin	Native purified proteins, surface protein of virulent strains		Western Blot, ELISA	1 mg	1.500,00		
01-C1-10-4	Lysat	Bop-Lysat.	Crude <i>Bordetella pertussis</i> – Lysat, Native purified		Western Blot, ELISA	1 mg	On request		

All price are EX WORKS (excluding VAT, Transportcost and Custom)

Toxins <i>Clostridium difficile</i>:						
Product Code	Name	Specificity Name	Description	Application	Amount	Price in €
01-D1-10-1	toxin A (TcdA)	TcdA-10463	Native purified proteins, single chain glucosyltransferase which glucosylates small Ras-like GTPases	Western Blot, ELISA	2 µg 10 µg 100 µg	100,00 250,00 on request
01-D1-10-2	toxin B (TcdB)	TcdB-10463	Native purified proteins, single chain glucosyltransferase which glucosylates small Ras-like GTPases	Western Blot, ELISA	2 µg 10 µg 100 µg	380,00 1800,00 on request
01-D1-10-3	toxin B (TcdB)	TcdB-8864	Native purified proteins, single chain glucosyltransferase which glucosylates small Ras-like GTPases	Western Blot, ELISA	2 µg 10 µg 100 µg	700,00 3000,00 on request
01-D1-10-4	toxin B (TcdB)	TcdB-1470	Native purified proteins, single chain glucosyltransferase which glucosylates small Ras-like GTPases	Western Blot, ELISA	2 g 10 µg 100 µg	900,00 4000,00 on request
Recombinant Proteins:						
Product Code	Name	Specificity Name	Description	Application	Amount	Price in €
01-E1-10-1	Salomella rec. SipC		Salmonella invasion protein	Western Blot, ELISA	1 mg	On request
01-E1-10-2	Salomella rec. SipA		Salmonella invasion protein	Western Blot, ELISA	1 mg	On request
01-E1-10-3	Salomella rec. InvJ		Invasion protein	Western Blot, ELISA	1 mg	On request
01-D1-10-1	EHEC & EPEC rec. EspA		Extracellular protein	Western Blot, ELISA	1 mg	On request
01-D1-10-2	EHEC & EPEC rec. EspB		Extracellular protein	Western Blot, ELISA	1 mg	On request
01-F1-10-1	Haemolysin rec. LLO		Listeriolysin O	Western Blot, ELISA	1 mg	On request
01-G1-10-1	Yersinia rec. YopD		Yersinia outer protein D	Western Blot, ELISA	1 mg	On request
01-G1-10-2	Yersinia rec. YopE		Yersinia outer protein E	Western Blot, ELISA	1 mg	On request
01-G1-10-3	Yersinia rec. YopH		Yersinia outer protein H	Western Blot, ELISA	1 mg	On request
01-G1-10-4	Yersinia rec. YopM		Yersinia outer protein M	Western Blot, ELISA	1 mg	On request
01-G1-10-5	Yersinia rec. YopN		Yersinia outer protein N	Western Blot, ELISA	1 mg	On request
01-G1-10-6	LcrV		Low calcium response V-Antigen	Western Blot, ELISA	1 mg	On request
01-H1-10-1	Shigella flexeri rec. IpaC		Invasion plasmid antigen C	Western Blot, ELISA	1 mg	On request

Note and Explanation :

Ordering

You have the following options when ordering products directly from tgcBIOMICS

- Mail orders
- Telephone orders
- 24 hour fax ordering
- Online ordering

Please provide us with the following information when ordering:

- Your name, name of institution
- Billing and shipping address
- PO number (if applicable)
- Catalog number of products and quantity needed
- Contact person and contact data for questions

Mail orders

Please send your mail orders to the following

tgcBiomics GmbH
Carl-Zeiss-Strasse 51
D-55129 Mainz

Telephone orders

We will accept telephone orders from

Monday to Friday between 8:00 am and 16:00 pm Central European Time.
+49 – 6131 – 62757-15

24 hour fax ordering

Please send your fax order to:
+49 – 6131 – 62757-18

Online ordering

tgcBIOMICS products can be ordered online. When ordering by e-mail, please direct your orders to info@tgcBIOMICS.de

Important Notice:

Products that have been ordered by mistake cannot be returned to tgcBIOMICS. Products that are returned unrequestedly to tgcBIOMICS will not be accepted, but fully charged to the customer's account.

Shipping

All customers will receive a fax confirmation of the order with invoice and shipping waybill number. Products that do not require cooling as well as products that can be shipped on blue ice. Proteins and other products that need to be sent on dry ice are shipped by Logistic Partners. Domestic shipments within Germany are sent by General Overnight Express service. If you wish your order to be shipped by a different carrier, please contact us and provide all necessary information with your order. All orders are shipped ExWorks (Incoterms 2000).

Prices and Charges

Please note that the prices of products in the catalog and on our website do not include freight charges, duties, taxes or customs fees. Freight charges will be prepaid and added to the invoice. If you need information on freight charges for your particular order, please contact us with all necessary information. tgcBIOMICS will not pay any duties, taxes or customs fees. Products and prices are subject to change without notice. Current pricing will be confirmed at the time of your order. No minimum order required.

Payment

Invoices will be issued after your order has been shipped and will be sent to the billing address by separate mail. Invoices will not be included within the shipments. In case of partial deliveries, separate invoices will be issued after each shipment has left tgcBIOMICS. You will find payment information

(bank addresses and account data) on each invoice. TgcBiomics accepts payment by:

Check

Please send your payment checks to the following address:
tgcBiomics GmbH
Carl-Zeiss-Strasse 51
D-55129 Mainz

We kindly ask you to make sure that our invoice number and your customer number appear on the cheque.

Wire transfer

Please remit your payments to one of the following bank accounts:

Mainzer Volksbank eG
BLZ: 551 900 00
Konto-Nr.: 393 18 013
Swift MVB MDE 55

Hypo- und Vereinsbank AG
BLZ: 793 200 75
Konto-Nr.: 207 676 4
Swift HYVEDEMM451

tgcBIOMICS GmbH
Carl-Zeiss-Strasse 51
